

Robust Solutions Exclusively for Distributors

XpressConnect Supply is committed to providing distributors with the best possible service and support. We work closely with distributors to understand their unique needs and develop customized solutions that meet their requirements. With our competitive pricing, fast delivery times and exceptional customer service, we are confident that we can help you succeed.

Serving a Diverse Distributor Customer Base

Wire and Cable

- Access control cable
- Automotive and transit cable
- Building wire
- Crane and mobile equipment cables
- Flexible cable
- High temp cable
- Hook-up and lead wire
- Instrumentation and control cable
- Lugs, cable glands and termination kits
- Marine and shipboard cable
- Medium voltage cable
- Mining cable
- Multi-conductor and multi-pair cable
- Portable cord
- Telecom power cable
- Thermocouple cable
- Utility cable
- VFD cable and accessories

Network Infrastructure

- Cable management and pathways
- Coaxial cable
- Copper cabling and connectivity
- Fiber optic cabling and connectivity
- Outside plant and central office
- Power and thermal management
- Power protection
- Racks and enclosures
- Sound and security solutions
- Test equipment
- Tools and supplies
- Wireless networking

Data Center

- Cable management and pathways
- Copper solutions
- Electrical infrastructure
- Fiber optic solutions
- Grounding and bonding
- IoT/IIoT solutions
- Monitoring and management
- Network infrastructure
- Networking
- Physical security
- Power and thermal management
- Wireless

Fiber Optic and FTTH

- ADSS cable and self-support cable
- Cabinets
- Cable assemblies
- Cable management
- Closures

- Coax
- Conduit, fittings and accessories
- Copper cables
- Drop cable
- Enclosures
- Frames
- Innerduct
- Inside plant cable
- Outside plant cable
- PDUs, UPS and power systems
- Racks
- RF cable
- Terminals

Industrial Automation, Networking and Control

- Enclosures
- Industrial networking and connectivity
- Industrial networking and control
- Instrumentation and control cable
- Machine safety
- MCCs
- Motion control
- PLCs
- Power distribution
- Pushbuttons
- Sensors and safety
- VFD cable

Audio Visual

- Cable assemblies
- Cable management and pathways
- Cabling and connectors
- Collaboration and conferencing
- Display equipment
- Intercoms
- Mass notification
- Phone and emergency communications
- Power protection
- Racks, cabinets and enclosures
- Speakers and horns
- Video conferencing

Security and Access Control

- Access control cable and hardware
- Audio/Visual cable
- Display equipment
- Electrified door hardware
- Enclosure security devices
- Fire alarm cable and systems
- Intrusion detection
- Mass notification
- Mechanical door hardware
- Microphone and speaker cable

- Mounting and security
- Servers and storage
- Video accessories
- Video delivery equipment
- Video distribution

Outdoor Wireless

- Broadband and microwave radios
- Cable assemblies
- Coax cable
- DAS infrastructure
- Electrical wire and cable
- Fiber optic cabling
- Innerduct
- Passive components
- Power systems
- Small cell infrastructure
- TelcoFlex cable (DC power cable)
- Test equipment

Industrial and Electrical Supply

- Adhesives, sealants and tape
- Batteries and chargers
- Chemicals, paint and lubricants
- Electrical connector hardware
- Electrical supplies
- Electronic connectors and components
- Enclosures and cable routing
- Exothermic and compression grounding and bonding
- Fasteners, hardware and raw materials
- Heat shrink
- Janitorial
- Locking wiring devices
- Mechanical grounding and bonding
- Medium voltage cable accessories
- Portable power
- Safety, PPE and workwear
- Tools and test equipment
- Wiring devices

Marine, Port and Shipboard

- Commercial marine cable
- Connectors, tools and accessories
- Crane and mobile equipment cables
- IEEE 45/1580 LSZH
- IEEE 45/1580 Type P
- Instrumentation cables
- Marine support and supplies
- Mil-spec fiber optic cables
- Mil-spec marine cables
- Security solutions
- Ship to shore cables
- Shipboard and offshore cables

SERVICE IS OUR TECHNOLOGY

Global Partnerships With Premier Partners

We are dedicated to providing distributors with the best products and services, and our key supplier partners play a crucial role in helping us achieve this goal. We are proud to partner with these industry leaders, and we look forward to continuing to provide our customers with the best products and services available.
